The Eagle 500 is an extremely comfortable, rigid hulled inflatable boat for cruising and fun! These boats are designed with a deep V hull and distinctive stern features that ensure them their excellent seaworthiness and stability offshore and in high seas. In addition, the extra large inflatable tube gives the boat a guarantee of reliability and durability. A full range of accessories are available. Please see the accessories leaflet for mor details.

*Boat design catagory as per European Directive for recreational craft. No 94/25/EC. (For EEC only)
